

REMARKS

With the above amendments, the specification has been amended to incorporate the International and European priority applications by reference. Original claims 1-17 have been cancelled and claims 18-34 have been added. New claims 18-34 correspond to claim 1 as amended in the International Preliminary Examination Report and original claims 2-17, but have been placed in better form for examination.

Accordingly, it is believed that the application is in good condition for examination. The below-signed attorney for applicants welcomes any questions.

Respectfully submitted,

GRiffin & Szipl, P.C.
